To

D. M. Narasinga Rao Esquire, B.A., B.L.,
Offg. Secretary to the Government
of H.H. the Maharaja of Mysore, Genl & Rev Depts.

(Through the Comptroller of Mysore)

Sir,

With reference to your letter No.J.2189/Pol.45-13-4 dated 12th January 1915 stating that it is not found possible to provide a barr guard for the escort of treasure from Mysore to Kannambadi and for its safe custody in the latter place and calling for definite proposals if any addition to the existing Police staff is found necessary on this account, I have the honor to forward herewith copies of letter No.3498 dated 15th instant and its enclosure from the Chief Engineer of Mysore stating that at least 8 more constables are absolutely required to escort safely the Government money. The escort of treasure in the Mysore State has all along been done by the Military and there is no Police Force trained for this purpose nor is there any armed Police. If owing to the absence or shortage of Military force at the present juncture, they cannot manage it, a requisite armed Police as per prescribed scale noted below has to be sanctioned for a temporary period

i.e., till the Military guard is made available. Scale prescribed for the Madras Police.

		Head constable	Constable
sums not exceeding	Rs. 2,000	1	2
sums over not exceeding	Rs. 2,000 but Rs. 6,000	1	3
do not exceeding	Rs. 6,000 Rs.10,000	1	4
do not exceeding	Rs.10,000 Rs.20,000	1	6
do not exceeding	Rs.20,000 Rs.50,000	2	10
do not exceeding	Rs.50,000 Rs.100000	2	12
do not exceeding	Rs.100000	2	15

It is reported that the weekly cash expenditure on Cauvery Reservoir Works has run up to 50/- and 60/- thousand rupees. As per scale noted above two officers and ten constables are required for the above purpose. I propose that the present temporary staff at Kannambadi may be augmented by the employment of

1 Second grade Jamedar
1 do Daffedar.
4 First class constables.
& 6 Second " do

The proposal involves an additional expenditure of Rs.142/- per mensem or Rs.1,704/- per annum as per proposition statement herein enclosed in duplicate.

I request that you may be so good as to obtain early orders of Government in the matter. The expenditure during the current year may be met from the general savings of the Police Budget and debited to the works concerned

I have the honor to be,
sir,
Your most obedient servant,

Inspector General of Police.

Letter No.3498 dated 15th April 1915 from the Chief Engineer of Mysore, Bangalore, to the Inspector General of Police in Mysore.

"I have the honor to forward herewith, for favor of needful action, a copy of letter No.287 dated the 8th April 1915 from the Superintending Engineer, Cauvery Reservoir Works, requesting that the Police staff at the Cauvery Reservoir Works may be reinforced.

In the circumstances stated by the Superintending Engineer, I consider that at least 8 more constables are absolutely required to escort safely the Government money"

Inspector General of Police.

Letter No.287 dated the 8th April 1915 from the Superintending Engineer, Cauvery Reservoir Works, to the Chief Engineer of Mysore.

I have the honor to bring to your kind notice that the weekly cash expenditure on Cauvery Reservoir Works has run up to 50/- and 60/- thousand rupees.

This amount has to be got weekly from the Mysore District Treasury.

It is necessary that the escort for this large sum should be sufficiently well armed to guard the Treasury on its way from Mysore to the work spot.

I request that you will be so good as to address the Inspector General of Police, to kindly arrange for reinforcing the present Police staff here. If a dozen armed Police constables from the Reserve Police are kindly posted to the Cauvery Reservoir Works as a temporary measure for 3 or 4 months, it will greatly help us."
